IQAC Minutes of the Meeting

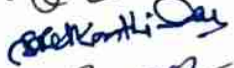

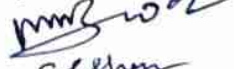

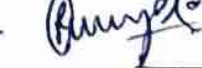

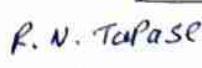

On 04/06/2021 at 1.00 P.M. in the IQAC office

As per the time scheduled for the IQAC meeting, at 1.00 P.M. IQAC meeting was held under the chairmanship of Dr. P. Arunaprakash. The outstation members attended the meeting over Zoom app. The IQAC Coordinator started the proceeding by reading out items on the agenda of the meeting culminating with the following resolutions being passed after deliberation.

1. The minutes of the previous meetings were unanimously confirmed by the members.
2. A resolution was passed congratulating the Coordinator Mr. H. A. Bansod and this team consisting of Mr. S.S.Shende, Mr. A.N. Therkar, Mr. M.S. Ratkanthiwar, Mr. R. K. Kayarkar and Mr. Ghansham Dnyanbonwar on successfully completing IQA, SSR, SSS and DVV within the time constraints even as the second wave of Covid-19 pandemic was wreaking havoc locally as about 45 deaths were reported of the local persons where the college is situated. When our repeated requests to the NAAC to grant us extension on humanitarian grounds in view of ever worsening situation on account of the pandemic were turned down, disregarding their personal health concerns and safety regulations, the team had to stick it out and bring the whole exercise to a successful conclusion. Had extension been granted or had there been no restrictions on free movement and assembly, the IQAC would have done even better.
3. Preparations for peer team visit were discussed and deliberated upon. Three visit schedules were decided.
4. Various committees for dealing with various aspects of peer team visit were formed and their specific roles were determined.
5. One important part of team visit being the interaction with students, alumni and parents, it was resolved to convene a meeting of different stakeholders either on virtual platform or in persons, depending upon the standing guidelines by the government authorities and the actual situation.

6. It was resolved to direct the Cultural Activity Dept. to select interested students and provide all necessary facility for their Cultural Programs during PTV.
7. At behest of IQAC, an ad hoc committee comprising Mr. U R Chitmalwar, Mr. Vilas Wankhede and IQAC coordinator Mr. H. A. Bansod was formed to scrutinise PBA5 submitted by one faculty member for purpose of verifying API score and recommending for placement.
8. All IQAC members were informed that the proposal for GP Courses and new faculties in Science and Commerce was approved by the Govt., University and Joint Director of Higher Education, to be implemented from the session 2021-2022. It was resolved to form an ad hoc committee of Mr. U.R.Chitmalwar and Mr. M.S.Ratkanthiwar for making preparation and providing facilities for the successful implementation of PG courses (M.A. in English and Home Economics) and new faculties in Science and Commerce at UG level (B.Sc, and B.Com.).
