**Yadaorao Poshattiwar Arts College, Talodhi (Ba.)**, was established in 1999 as a result of the vision of late Shri Yadaorao Poshattiwar, the founder President of **Adarsha Shikshan Prasarak Mandal, Talodhi(Ba)** to see the rural students of the surrounding area have access to higher education through which it is possible to enrich lives and expand horizons of rural community. Since then, being located in the rural, predominantly agrarian and backward area of Vidharbha region of Maharashtra, the college has been catering to the needs of students who are almost the first generation learners belonging to agrarian and backward sections of society. Adv. Nanasaheb Poshattiwar, the secretary of the Mandal furthered his father's dream and developed the college in a short time.

Permanently affiliated to Gondwana University, Gadchiroli; recognized under **2(f) and 12(b) of UGC Act, 1956**; and accredited by **NAAC**, the college offers **only one undergraduate programme** of B.A. with English, Marathi, English Literature, Marathi Literature, History, Sociology, Political Science, Economics, and Home-Economics as subjects. The college staff consists of eleven permanent faculty members including principal, and eight non-teaching staff members. About three hundred students study every academic year.

Consistent efforts are made by the institution for effective curriculum delivery and transaction. The college makes efforts to ensure that curriculum and the objectives of the institution are integrated. The institution develops and deploys action plans for effective implementation of the curriculum through academic calendar, department wise annual teaching plans which are implemented through a blend of conventional and student-centric teaching methods. The teachers encourage the students to become active learners by involving them in classroom discussion, question and answer session, role-playing, home assignment and pair/group activities related to curriculum. Every effort is made to develop independent, collaborative study and research skills in the students. To help the students become independent and collaborative learners, the college introduced ICT on a small scale in the classroom teaching. Internet facilities, LCD projector with Laptop are provided to the teaching faculty to make use of Audio Visual Aids with ease.

Students are encouraged to participate and excel in various co-curricular and extra-curricular activities. For the purpose, various competitions such as essay-writing, elocution, debate, poster and quiz are also regularly organized. The college offers the platform of NSS and Adult and Continuous Education and Extension Services to foster the spirit of leadership, cooperative team work, and social responsibility among the students. Blood Donation and Blood Grouping camps, Sickle Cell diagnostic camp, and various programmes on eradication of superstition, road safety, total cleanliness campaign, oral cancer awareness, health and hygiene awareness, antidrug campaign, etc. are organised through NSS. On certain occasions of birth and death anniversaries of great leaders, the eminent personalities in academic, social and political fields are invited to guide the students. By constituting an editorial board from amongst the students, the college publishes a College Magazine 'ZEP' every year to motivate students and develop their creativity and writing skills. Thus, the college ensures that the implementation of the curriculum contributes towards achieving the all-round development of the character of rural and socially backward students, enabling them to become responsible citizens and to be employable.

**Last year our college made it to the NIRF Ranking 2017 under College category in the Ranking band 151-200.**

# Full Report

## Sanctioned (Approved) Intake

Academic Year	2016-17	2015-16	2014-15	2013-14	2012-13	2011-12
<b>UG [3 Years Program(s)]</b>	<b>120</b>	<b>132</b>	<b>132</b>	---	---	---
